Did you know? You Have a Family in Pulay, Guatemala! www.eastridgechurch.org/pulay

In 2008 our Eastridge family began a partnership with the indigenous Mayan families of Pulay, Guatemala facilitated by Food for the Hungry.

Many of you track with what is happening there through sponsoring a child, praying for the development work or serving with our teams travelling there each year.

This year's team will travel to Pulay on July 31, and will be teaching the com-

munity the importance of using pure water for drinking and processing food, as well as washing and brushing teeth. The team will demon-

strate how to set up a Sawyer Water Filtration System, and how to clean the filter to prolong its usefulness. They will also discuss storage of pure water in larger containers.

These Sawyer Water Filters are being purchased through Eastridge Church and

Food for the Hungry at a huge discount and each filter will provide a family in Pulay with up to 500 gallons of pure water each day.

Our friends in Pulay have badly contaminated water which dramatically affects their health, especially for the young children. Visit our display in the church lobby for more information on the needs of the community of Pulay, Guatemala and watch for "PURE WATER DAY" coming this spring at Eastridge!

Questions? Send them our way at outreach@eastridgechurch.org.
